Alumni & Friends Come Together to Build for Success

Arlington Catholic High School hosted two receptions in June as part of the **Building for Success** Campaign. Alumni and friends were invited to learn more about the school's renovation and expansion project and its impact to serve our students. Receptions were hosted by the Campaign and Outreach Committees as a way to communicate the Schools' needs and campaign goals.

The receptions resulted in a wonderful outpouring of support and commitment to this campaign. Several members of our AC Community have volunteered to serve on the committees for alumni relations and event planning.

The project includes additional classrooms, guidance/admission area, designated administrative space, and a wellness facility. The second phase of the project will be the creation of a full-sized turf field that will be used for practice and athletic events. The third phase will include additional rooms and restrooms. These additions and improvements will provide our students a full and complete high school experience.

Saint Agnes School News

Teacher Retirements - As the school year came to a close this year, two teachers announced their retirement; **Mrs. Barbara Casa**, 7th and 8th grade math teacher and **Mr. David Gorman**, 7th and 8th grade science teacher. We are grateful for the contributions of these two dedicated teachers and wish them both a happy retirement.

Mrs. Casa taught at the School for 22 years. Prior to coming to Saint Agnes School, Mrs. Casa worked for Raytheon. During her years at the School, she was instrumental in revising the math curriculum to include both a pre-algebra and algebra. Both of Mrs. Casa's sons, David and Neil, are graduates of Saint Agnes School and Arlington Catholic. She is looking forward to spending time in Maine.

Mr. David Gorman taught science at the School for 5 years. Prior to coming to Saint Agnes School, Mr. Gorman taught at Watertown Middle School for 27 years. After retiring, Mr. Gorman missed teaching science, so he decided to come to Saint Agnes. His love of science was contagious as he expanded the science lab and inspired students with many experiments. Mr. Gorman is looking forward to traveling and spending time at the Cape.

Summer Office Hours - The school office is open for the month of July 9:00 A.M.-1:00 P.M. New registrations will be accepted at the school office during the summer. For registration and admission requirements check Saint Agnes School website at www.saintagnesschool.com.

Arlington Catholic Summer School Classes are being held at Saint Agnes School this summer as construction continues at the high school. We welcome all the students and teachers who are participating in the summer program.

Prayer Request - We ask you to remember in your prayers Mrs. Mary Nelson, our former science and french teacher, who is ill .

Tours of the school are available by emailing stagnesschool_dev@hotmail.com or calling 781-643-9031.

Thank you to all who volunteered this year to the service of the Lord. You are a gift to the Parish, families and children. We need others to consider volunteering in the program as catechists, substitutes or hall monitors. All materials are provided; please call the office for information, 781-646-5579.

Registrations for next year have been mailed. Please return them as soon as possible so we can make plans for the Fall. New students must be registered in person.
